## S. 11.18 (B)    To consider the revised scholarship continuation rule for M. Tech. Students.

Section 9.2 (iii), (iv) and (v) of course book provides the rule for the continuation of scholarship of M. Tech Students which are

"(iii) GATE scholarship shall be continued for the current semester subjects to the condition that M.Tech. student has scored first class in previous semester. In NIT, Uttarakhand SGPA of 6.75 is equivalent to first class in a semester.
(iv) If a M.Tech. student secures first class in current semester then only he/she will be eligible for full GATE scholarship for the next semester, else he/she will be granted scholarship at 50% rate from the next month after declaration of result subject to the condition (B) V.
(v) If a M.Tech. student does not score first class in two consecutive semesters then his/her scholarship shall be stopped for the semester which follows the two consecutive semesters of failure to score first class from the next month of declaration of result."

In order to simplify these rules and to remove the anomaly in the "first class" definition after implementation of revised percentage rule (S.10.15) the following rule is proposed to replace Para (iii), (iv), (v) and (viii) of section 9.2 of the course book:

"(iii) *GATE scholarship shall continue for the current semester subject to the condition that the CGPA of an M. Tech. student is 6.75 or above. In case an M. Tech student fails to maintain the CGPA 6.75 or above his/her scholarship shall be reduced by 50% from the next month of the declaration of the results. Further if the student fails to maintain the CGPA 6.75 or above in two consecutive semesters then his/her scholarship shall be stopped from the next month of the declaration of the results.*"

The senate is requested to approve the above changes in the Course Book.

Tech student fails to maintain the CGPA 6.50 or above his/her scholarship shall be reduced by 50% from the next month of the declaration of the results. Further if the student fails to maintain the CGPA 6.50 or above in two consecutive semesters then his/her scholarship shall be stopped from the next month of the declaration of the results."
