BoG 22.03: To address the anomalies specific to the Institute while implementing the Recommendations of Oversight Committee for removal of the anomalies of non-teaching staff and revised Recruitment Rules (RRs) for Non-Teaching in the NITs dated 20th February, 2019.

Recommendations of Oversight Committee for removal of the anomalies in Recruitment Rules of Non-Teaching staff and revised Recruitment Rules (RRs) for Non-Teaching in the NITs have been issued from the MHRD vide letter No.F.35-5/2018-TS.III dated 20.02.2019, attached as **Annexure BoG 22.02**, which were adopted by the Board of Governors vide Agenda no. BoG 21.04. Two issues as follows pertaining to specific anomalies directly affecting the Institute are as follows.

A) As per Rule 4(A) of MHRD vide letter No.F.35-5/2018-TS.III dated 20.02.2019,

“Those employees, who are working on ad-hoc / temporary / contractual / outsource basis, in RECs/NITs, may be given one time age relaxation to participate in the first regular recruitment process for the post for which they fulfill all other conditions mentioned in the Recruitment Rules proposed by the Oversight Committee. The quantum of age relaxation may be decided by the Board of Governors of respective NITs.”

In view of the above, it is proposed to approve one time age relaxation of three years for ad-hoc / temporary / contractual / outsourced staff, who has rendered minimum one year of continuous service in NIT, Uttarakhand, in the ensuing recruitment of Non-Teaching staff.

B) As per Rule 6 of MHRD vide letter No.F.35-5/2018-TS.III dated 20.02.2019

“the Institute’s specific issues in isolation are left upto the Institute and may be sorted out at the Institute and Board level in light of various instructions approved by the Council of NITSER on the subject from time to time, applicable extant Government of India instructions, Statutes and NITSER Act, 2007.”

NIT Uttarakhand being a new Institution has no sanctioned position for various higher Group-B and Group-C positions, whereas the employees have completed minimum eligible years of service/qualification for promotion to higher Group-B and Group-C positions. Therefore it is proposed that those employees who have completed minimum eligible years of service/qualification for promotion as per the revised Recruitment Rules notified vide MHRD letter no.F.35-5/2018-TS.III dated 4th April, 2019, may be given next higher Grade Pay with no change in their designation till such time next higher positions are sanctioned.

The Board is requested to approve the same.

BoG 22.04: Implementation of Recruitment Rules for Non-Teaching staff of NITs based on the recommendations of Oversight Committee dated 4th April, 2019.

Implementation of Recruitment Rules for Non-Teaching staff of NITs based on the recommendations of Oversight Committee have been received from the MHRD vide letter No.F.35-5/2018-TS.III dated 4th April, 2019 (**Annexure BoG 22.03**).

The Institute carried out Performance Review of the above faculty members through duly Constituted Committee of Experts, the recommendations of the committees shall be tabled before the members.

The Board is requested confirm the above listed 31 faculty members.

BoG 22.06: Age relaxation to the non-teaching employees of NIT Uttarakhand for applying within the Institute for Recruitment through Open Advertisement.

The Institute is functioning from a temporary campus and that too located in a remote area, in the Himalayas. There is acute shortage of competent manpower, and it is also very difficult to retain the employees presently serving in the Institute.

Institute is growing leaps and bounds and is in a need of competent, dedicated and sincere manpower that are ready to serve in such remote areas. Institute is in a process to fill vacancies in non-teaching positions through an Open Advertisement for recruitment. There may be employees in the Institute, who may find themselves

not eligible due to overage for the prescribed posts, in the forthcoming non-teaching recruitment drives. However, they have proved their competency and loyalty with the Institute in their respective appointments. It is proposed to honour the services of such employees by relaxing the age criteria over and above the prescribed age relaxation norms of the Govt. of India, thereby, rendering such internal employees eligible to participate in the future recruitment drives.

Hence, following age limits for internal employees applying for respective positions is hereby proposed:

S.No.	Applying for Position	Age limit for Internal employees applying for position	Additional eligibility criteria for internal employees
01.	Group-A	Upto 50 years	Eight years' regular service at Group-B position in NIT Uttarakhand
02.	Group-B	Upto 45 years	Five years' regular service at Group-C position in NIT Uttarakhand
03.	Group-C	Upto 45 years	Group-C including MTS, Office/Lab Attendant in NIT Uttarakhand

The above proposal of age relaxation and eligibility criteria for internal employees will ensure that the competent, loyal, sincere and deserving internal employees get a chance to serve the Institute, in continuation and in the higher positions, thereby, maintaining opportunity for job continuity, career growth and retention.

The above relaxation shall only be admissible when there is no vigilance/disciplinary case or criminal case pending or contemplated against the employee and the performance is satisfactory and nothing adverse has been found against the employee during the entire career service. Institute shall follow the other terms and conditions as per the prevailing Recruitment Rules, notified by the MHRD.

The Board is requested to approve the above proposal.

BoG 22.07: Approval for Recruitment of Non-Teaching posts through an Open Advertisement.

Presently, 95 non-teaching positions have been sanctioned to the Institute till the financial year 2016-17. Out of 95, 65 numbers of non-teaching staff are currently on Institute roll, and 30 non-teaching posts are presently vacant. It is proposed to undertake recruitment of non-teaching staff through an open advertisement as per the provisions of Recruitment Rules and norms approved by the Board.

Institute has relieved Mr. Anoop Sharma, Superintendent (Accounts) and Mr. Praveen Kumar Manwal, Superintendent on Deputation to Delhi State Industrial and Infrastructure Development Corporation Ltd. (DSIIDC), New Delhi for three years w.e.f. 01/04/2019 to 31/03/2022. Accordingly, it is proposed to permit to appoint (during Lien vacancy) the Superintendent (Accounts) and Superintendent on contract basis in pursuance to the Section 23(8) and 28(2)(3) of NIT Statutes for the period upto 31/03/2022 through open advertisement by using the same selection panel which shall be approved by the Board of Governors.

The Board is requested to permit recruitment of non-teaching staff through an open advertisement as per the provisions of Recruitment Rules and norms approved by the Board and approve appointment of Superintendent (Accounts) and Superintendent on Ad-hoc basis for the period upto 31/03/2022.

The sanction of additional posts for the financial year 2017-18 is still awaited from the MHRD, if received; same will also be advertised for recruitment.

BoG 22.08: Fixing higher benchmarks for recruitment of non-teaching positions.

The Recruitment Rules stipulates only bare minimum standards for recruitment of faculty and non-teaching staff. It is felt that, the Institute of national impotence like ours should recruit only appropriately experienced and highly competent faculty/staff to maintain the requisite standards of the Institute. Therefore, the minimum standards stipulated in the Recruitment Rules are not sufficient in few cases and there is a need to fix higher benchmarks, higher than what is prescribed in the Recruitment Rules.

The Point No.8 of Recruitment Rules, (notified vide MHRD letter no.F.33-2/2012-TS.III dated 20th December, 2017) allows the respective Board of Governors to fix higher benchmarks i.e. higher than what is prescribed in the Recruitment Rules.

In the spirit of the above argument, Institute proposes to set the higher benchmark for only following posts:

BoG 22.09: The issue of deduction of NPS i.r.o. Prof. Ram Bahadur Patel, Professor, Department of Computer Science & Engineering.

Prof. Ram Bahadur Patel joined the Institute on 07/07/2018 (FN) as Professor in the Department of Computer Science & Engineering, against the Office Order No. A-223 dated 11/06/2018, after completing technical formalities at Office of the Principal, Chandigarh College of Engg. & Technology (Degree Wing), Chandigarh.

As per provisions of DOPT OM No.28020/1/2010-Estt.(C) dated 17th August, 2016 regarding Technical Resignation and Lien-consolidated instructions, where, it was clarified that all leave benefits, LTC benefits, GPF balance, service book, Pension Scheme under CCS (Pension) Rules, 1972 and New Pension Scheme shall be transferred to the present department as the case may be (**Annexure BoG 22.04**).

Keeping in view of the service benefit matter of Prof. R. B. Patel, Institute has sent a letter to the Principal, Chandigarh College of Engg. & Technology (Degree Wing), Chandigarh for clarification regarding deduction of GPF or NPS. Institute received a

reply letter from Principal, Chandigarh College of Engineering and Technology, Chandigarh vide their memo no. CCET/DG/Estt./2019/2180 dated 12/03/2019 (**Annexure BoG 22.05**), stating that:

“He has joined the services of Chandigarh Administration on 12/12/2014 and he was not covered under GPF scheme. The case regarding counting of past service and deduction of GPF is pending with his previous employer i.e. G. B. Pant Engineering College, Ghurdauri, Pauri Garhwal, Uttarakhand. Despite various requests, he did not submit the application for allotment of PRAN for the purpose of NPS”.

It is also pertinent to mention Institute has neither deducted GPF nor NPS during the period at NIT Uttarakhand due to non-availability of clarification from his parent organization i.e. Chandigarh College of Engineering and Technology, Chandigarh. As per Section 24(vi) of NIT Statutes, New Pension Scheme shall be eligible for employees those are appointed on or after 01.01.2004.

Consequently, Institute requested Prof. R. B. Patel vide letter no.A-198 dated 21/05/2019 (**Annexure BoG 22.06**) for submission of PRAN form. In response to this he denied to submit the PRAN form and requested to deduct the GPF (**Annexure BoG 22.07**). However, Institute have not received the GPF amount from his previous employer i.e. Principal, Chandigarh College of Engineering and Technology, Chandigarh in fact they also did not receive the GPF amount from his previous employer G. B. Pant Engineering College, Ghurdauri, Pauri Garhwal, Uttarakhand.

The Board of Governors is requested to deliberate upon the issue, and give necessary instructions.

BoG 22.11: Conversion of post of Technical Assistant (Pay Matrix Level: 6) into Superintendent (Pay Matrix Level: 6).

The sanctioning scale of Higher Technical Staff is 30% of total sanctioned faculty strength whereas the sanctioning scale of Higher Ministerial Staff is 8% of total sanctioned faculty strength. Therefore, 27 post of Higher Technical Staff (GP ₹4200/-) are sanctioned to the Institute and only 7 posts of Higher Ministerial Staff (GP ₹4200/-) are sanctioned.

Institute administration has many full flagged sections namely, Establishment, Accounts, Internal Audit, Stores, Procurement, Academic, Hostel, Training & Placement, Director Office, Registrar Office, Deans Office etc. These Administrative sections are presently being managed by one Assistant Registrar and Three Superintendents only, however, the scope and work load of each section is very wide and critical and thus needing Superintendent level employees to discharge the respective duties at these levels.

There is inevitable requirement of 04 more Superintendents to handle the additional load of the administrative sections of the Institute speedily and efficiently.

It is, therefore, proposed to convert 04 out of 27 posts of Higher Technical Staff (Technical Assistant post) into Higher Ministerial Staff (Superintendent posts). Such conversion will not exceed the total number of sanctioned non-teaching posts, within the same Grade Pay, and will have no additional financial implications.

The Board is requested to approve the above proposal and vacancy shall be advertised accordingly in upcoming non-teaching recruitment drive.

BoG 22.12: Appointment of Assistant Registrar on deputation against the vacant position of Medical Officer.

Institute has been sanctioned 08 posts of Officers namely Registrar, Deputy Registrar, Executive Engineer, Medical Officer, Assistant Librarian, Student Activity & Sports Officer and Assistant Registrar (Two).

Institute administration has many full flagged sections namely, Establishment, Accounts, Internal Audit, Stores & Procurement, Academic, Hostel, Training & Placement, Director Office, Registrar Office etc. that too divided into two Campuses namely NITUK–Parent Campus, Srinagar and NITUK–Satellite Campus, Jaipur.

These Administrative sections are presently being managed by One Assistant Registrar and Three Superintendents only, however, the scope and work load of each section is very wide and critical and thus needing Assistant Registrar level Officers to discharge the respective duties.

There is inevitable requirement of Assistant Registrar to handle the additional load of the administrative sections of the Institute speedily and efficiently.

It is, therefore, proposed to appoint an Assistant Registrar on deputation against the vacant position of Medical Officer in the Pay Matrix Level-10 for an initial period of three years, extendable to five years on mutual understanding.

The Board is requested to approve the above proposal.

BoG 22.13: Approval of Seed Money Grant to Faculty for research purpose.

To promote the research work and conducive research environment in the Institute, it is proposed to sanction a Seed Money Grant to the faculty members, having Ph.D. Degree, of the Institute for the maximum period of 3 years. The proposed amount of Seed Money Grant for the research proposals of individual faculty is ₹10.00 Lakhs and for the joint faculty research proposals is ₹25.00 Lakhs. The Minutes of the meeting of the Deans and HoDs are enclosed as **Annexure BoG 22.08**.

The Board is requested to approve the above proposal.

BoG 22.14: Approval of guidelines regarding TA/DA and accommodation for the UG, PG and full time Ph.D. Students.

Presently, there are no guidelines regarding TA/DA and Registration fees for the UG, PG and full time Ph.D. Students for participating/attending the conference/workshops/symposia/STTPs/STCs/Industrial Visit/Tech Fest/Technical Competition/GIAN courses/TEQIP sponsored courses within the country.

The minutes of the meetings of the Deans and HoDs regarding draft guidelines are prepared and enclosed as (**Annexure BoG 22.09**).

The Finance Committee is requested to approve the TA/DA and and Registration Fees norms for the UG, PG and Ph.D. students from the Institute Funds.

The Board is requested to approve the above proposal.

BoG 22.15: Revision of the earlier approved Institute Procurement Plan (IPP) of TEQIP-III.

With reference to the approved Institute Procurement Plan, the Package Name: "NITUK/2018/INSTITUTE LEVEL FACILITY/01/ COMPUTER FACILITIES" listed at Serial No.1 of the enclosed **Annexure BoG 22.10**, consisting of the following equipment which was proposed to be procured from TEQIP-III Budget, at the Institute Level:

Item Name	Item Quantity	Method of Procurement	Total Estimated Cost (in ₹ in Lakhs)	Total Estimated Cost of the package (in ₹ in Lakhs)
Desktop Computer System	91 = 75 (CSE)+06 (ME)+ 08 (S&H) +02 (TEQIP Office)	NCB	68.25	162.80
Workstation	23 11 (Type-I: 02 CSE , 09 ECE) 12 (Type-II, 05 CSE , 06 ECE, 01 S&H)		93.00	
Workstation Monitor	05 (ECE)		0.60	
Laptop	01 (TEQIP Office)		0.80	
3-in-1 Printer	01 (TEQIP Office)		0.15	

In the changed circumstances, the Department of Computer Science and Engineering has withdrawn its requirement citing the non-availability of sufficient users at the Parent Campus, whereas the Department of Electronics Engineering is interested in the procurement of their equipment for M.Tech. and Ph.D. students. Therefore, the revision was required in the said Package before initiating it through TEQIP-III funds. The details of the Revised Package recommended by ILPC are as follows:

Item Name	Item Quantity	Method of Procurement	Total Estimated Cost (in ₹ in Lakhs)	Total Estimated Cost of the package (in ₹ in Lakhs)		
Workstations	Type-I: 09 Nos. (ECE-09)	Shopping	47.00	48.55		
	Type-II: 04 Nos. (ECE-03 Nos. and Maths (earlier S &H)-01 Nos.)					
	Workstation Monitor				05	0.60
	Laptop				01	0.80
3-in-1 Printer	01		0.15			

Moreover, it is proposed that the surplus funds of ₹120.94 Lakhs, of this Package, be equally distributed and transferred to all other Departments who are interested to procure the Goods (Equipment/Software) under this Budget Head.

Board is requested to approve the above proposal for implementation.

BoG 22.16: Regarding Intake of UG students for the Academic Year 2019-20 and 2020-21.

However, in view of communication from MHRD vide letter No.F.No.35-4/2019-TS.III dated 26th April, 2019 (**Annexure BoG 22.15**) only 20 old NITs were directed to implement the EWS reservation in UG/PG seats for Academic Year 2019 admissions. Accordingly, the UG Seat Matrix for intake of 100 UG students was prepared and informed to Joint Seat Allocation Authority (JoSAA)-2019 (**Annexure BoG 22.16**). However, the intake of UG students will be increased back to 150 from the Academic Year 2020-21, and shall be reviewed again as per the development of infrastructure at Temporary Campus.
