Being in a remote location and less medical facilities sometimes it's very difficult to handle the critical and emergency situation as next higher center is more than 120km from Srinagar.

Therefore, for taking care of the faculty, staff, dependents and students, it is proposed that empanelment of Doctors with specializations like Gynecologist, ENT, Ortho etc. may be allowed to Institute. There is no bus is available in the Institute for the students as well as staff. For transportation of students as well as employees bus services are taken by the Institute on hiring basis but due to Yatra session its very difficult to get bus services from April to October in every year.

In view of the above fact for providing safe and convenient facility to the students as well as employees it is proposed that, two buses for estimated cost of Rs.40 Lakh may be purchased by the Institute from CSA fund of the Institute which is around Rs.1 crore at present.

Board is requested to approve the same.

Resolution: Board approves the recommendation of the Finance Committee regarding purchase of buses from CSA fund of the Institute.

As per MoE approval vide dated 28.05.2015, Ambulance was purchased by the Institute which is presently used by not only Institute faculty, staff and students but also by other stakeholders like District Administration for their vaccination program, for protocol of dignitaries and dependent family members of employees of the Institute in case of referral. For above cases Institute ambulance is used due to which maintenance/fuel charges of ambulance are increasing day by day. Therefore it proposed that the ambulance charges may be fixed for Rs.3,500/- upto Rishikesh and Rs.5,500/- for Dehradun (these rates are as per State Government directives Rs. 35/- per km for round trip of Ambulance. Rishikesh is 100 Km from NIT Uttarakhand). Ambulance service will be provided free of cost to the students of NIT Uttarakhand.

----	-------------------------	--	---

The Institute is functioning from a temporary campus and that too located in a remote area, in the Himalayas. There is acute shortage of competent manpower, and it is also very difficult to retain the employees presently deployed in the Institute on these wages. Sometimes these deployed personnel are also engaged on Sunday and late hours and no overtime allowance or any compensation is granted to them keeping in view the binding of labour act applicable to NIT being an Educational Institute.

Institute is growing and is in need of competent, dedicated and sincere manpower that are ready to serve in such remote areas. Being a remote location and keeping in view the expansion of Institute. **Board is once again requested to reconsider the proposal for payment of the minimum wages as per Ministry of Labour and Empowerment for paying wages for 30/31 days in a month instead of 26 days.**

Board is requested to approve the same.

Resolution: Item was withdrawn.

OH-31	27.70 Cr	14.52 Cr
OH-35	24.47 Cr	0
OH-36	27.73 Cr	13.89 Cr

Board is requested to note the Annual Allocation communicated by MoE vide letter dt. 27.04.2022. Institute is in infancy and requires liberal funding from MoE therefore Board is requested to recommend enhancement of allocation to NIT Uttarakhand, so that necessary expenditure could be met.

Board is requested to approve the same.

Resolution: Board approves the recommendation of the Finance Committee regarding utilization of remaining amount of Rs. 17.50 Crores for expenditure under the Head OH-35.

As per MoE Annual Allocation letter vide no.F.No.36-2/2022-TS.III dated 27.04.2022 no fund is allocated under OH 35 and beside this Institute is also unable to process HEFA loan due to issue related to authorized signatory, which has been already communicated to MOE vide letter dated 18.02.2022.

Due to above reasons, institute is not in a position to purchase lab equipment as well as other essential assets required for hostels, classrooms & others. Therefore Board is requested to grant permission for using Institute IRG upto Rs.12.5 crore as per procurement plan till the fund allocated under OH 35 or through HEFA are available for use.

As per MoE letter vide ref.no.F.No.33-9/2011-TS.III dated 16th April, 2019 point no.7 the BoGs of respective Institute may take a call on relaxing the criteria, if needed, with recorded justification.

Therefore, Board is request to deliberation on the same.

BoG 40.29(B): Regarding Approval for fee for summer/winter term payable by students of B.Tech. final year (w.e.f. 2022 onwards).

As approved by the FC in its Third Meeting, vide agenda item No 3.0B, a fee @ of Rs. 500 per credit is charged from the students for summer/winter term. Out of the fee collected, 90% amount is equitably (based on credits shared) distributed amongst the teachers conducting the courses in Summer / Winter term & 10% amount is equally distributed amongst the academic staff.

A summer/ winter term course will be run only if there is a minimum registration of 5 students and students have obtained FF grade in the subject earlier. Due to these conditions many students who applies becomes ineligible for summer/winter term as mostly the number of students who applies for a course remains less than 05 or may not have obtained FF Grade. Therefore, to avoid this problem the new UG Ordinance for Summer/Winter Term was proposed in the standing committee meeting held on 02.06.2022. The same was recommended by the standing committee and approved by the chairman senate (copy attached).

Current UG Ordinance for Summer Term:

As per the UG ordinance Summer/Winter Term may be offered in special cases only for B. Tech. 4th Year students with approval of the Chairman Senate. In the Summer Term, registration for L (lecture) and P (practical) category courses will be strictly limited to the students who have obtained FF grade in the subject earlier or whose load has been restricted by SUGB/SPGB. In a summer term, a student cannot earn more than 10 credits (in all the categories). However, a student is permitted to register three L (lecture) courses even if registered credits exceed 10.

A Summer Term Course/Winter Term Course will be run only if there is a minimum registration of 5 students or a teacher is available to conduct the course. Due compensation shall be paid to the teachers for conducting courses in summer/winter terms. Summer Term will be run for those students who are short of eligibility for award of Degree by credits upto 10 credits or by credits for 3 L type courses (even if registered credits exceed 10). Winter terms shall offer only practical (P) courses. Student can register for maximum 3 credits.

Proposed UG Ordinance for Summer Term:

Summer/Winter Term may be offered in special cases only for B. Tech. 4th Year students who are short of eligibility for award of Degree by credits up to 12 credits with approval of the Chairman Senate. The following fees will be charged from the students for registration in the Summer Term for L (Lecture), P (Practical), D (Project based courses) and T (Training/Colloquium only) category courses.

1. If only 01 student registers for a course, then Rupees 10,000/- (Ten thousand) will be charged from him for registration.
2. If only 02 students register for a course, then Rupees 5000/- (Five thousand) will be charged from each student.
3. If only 03 students register for a course, then Rupees 3500/- (Three thousand five hundred) will be charged from each student.
4. If only 04 students register for a course, then Rupees 2500/- (Two thousand five hundred) will be charged from each student.
5. If 05 or more students register for a course, then Rupees 800/- per credit (Eight hundred per credit) will be charged from each student. Ex If the course is of 03 credits, then each student has to submit Rupees 2400/- (Two thousand four hundred).

A student will not be allowed to register more than 3 L (Lecture based courses), 3P (Practical based courses) and 1 D (Project based courses) within the limit of total 12 credits. If any student registers for a Practical Training/Colloquium in the summer term then he/she will not be allowed to register for any other courses in the summer term.

A Summer Term Course/Winter Term Course will be run only if a teacher is available and agree to conduct the course. Due compensation shall be paid to the teachers for

conducting courses in summer/winter terms for L (Lecture based courses), P (Practical based courses) and D (Project based courses). Winter terms shall offer only practical (P) courses and a student can register for maximum 3 credits in winter terms. For winter term, rules for charging the fee will remain same as mentioned above for the summer term.

The Finance Committee (FC) is requested to approve the fee for summer/winter term payable by students as mentioned in Proposed UG Ordinance for Summer Term.
