Mr. Parveen Kumar and Mr. Jadeep Singh, member of the Special Cell attended the meeting through Video Conferencing.

The Committee discussed the following agenda:

SC 05.01: *To discuss and recommend the category-wise reservation in the Teaching position for implementation in the ensuing recruitment drive at NIT Uttarakhand.*

*The Special Cell is requested to deliberate upon the matter.*

Resolution: Further to the resolve of the Special Cell in its Fourth Meeting regarding category-wise reservation in teaching position for implementation in the ensuing recruitment drive at NIT Uttarakhand, the Special Cell realizes that there is lack of clarity on the issue of applicability of reservation on Professor and Associate Professor positions.

The Institute has 86 sanctioned Teaching positions out of which 58 are in-position and 28 are vacant.

With reference to the 4<sup>th</sup> Meeting of the Special Cell, after restructuring of Teachers (Engineering) and Teachers (Non-Engineering) as one unit, implementing the EWS reservation, and also taking in to account the 28 vacancies to be filled in the ensuing recruitment, the Special Cell recommends the revised reservation roster point as follows:

<b>After Restructuring (Teaching Positions)</b>			
Last roster point 82 (64+18)			
Fresh recruitment of 28 Faculty Members (82+28 = 110)			
Category	Required as per roster	In-position	Carried Forwarded
SC	16	06	10 (09 to be filled in the ensuing recruitment drive)
ST	08	02	06 (05 to be filled in the ensuing recruitment drive)
OBC	29	17	12 (11 to be filled in the ensuing recruitment drive)
EWS	04	-	04 (03 to be filled in the ensuing recruitment drive)
<b>Total</b>	<b>57</b>	<b>25</b>	<b>32 (28)</b>

There are only 28 vacancies available for filling-up against the 32 backlog/carry over positions in the reserved category to comply with the mandatory Reservation

Policy. The balance of 04 vacancies may be filled up against the new allotment of teaching positions from the Competent Authority. Special Cell also notes that Institute has earmarked three (03) teaching vacancies for PwBD Category namely Professor (English)-VH (LV), Associate Professor (Electronics Engg.)-VH (LV) and Associate Professor (Computer Science & Engg.)-OH.

The Special Cell recommends that institute should, on priority, carry out a special recruitment drive to fill up reserve category vacancies in teaching carder, to extent possible in the ensuing recruitment drive, and backlog/carry over positions if any be considered in the next recruitment drive.

The meeting ended with vote of thanks to the Chair.
